

GP-M220F

2-Inch portable printer

Fireproof material
Safe and reliable

40-70mm/s automatic speed printing
High-quality TPH: 203DPI resolution print head
1500mAh large-capacity battery, and it is equipped with a Type-C charging interface.
The standby time can often reach more than 70 hours after being fully charged
Exclusive free APP: Enjoy printing as you wish, supporting one-click batch printing.
Seamlessly connect to WINDOWS, Android, and IOS systems.
Inkless printing: Thermal printing, no ink/ribbon required
Fireproof material, safe, reliable, and worry free
Easy-to-load paper structure,supports 25mm-58mm slider media guide.
Support automatic learning, fast positioning, no paper jam or paper skipping
APP online upgrade, with complete SDK and support for secondary development.

40-70mm/s automatic
speed change

High-voltage TPH
Clear printing effect

Type-C charging interface
Support 5V/2A

Technical parameter

Configuration	GP-M220F
Printing mode	Direct thermal
Resolution	203DPI
Printing speed	40-70mm/s automatic speed change
Printing width	48mm
Print head temperature detection	Thermistor
Paper detection sensor	Two sets of reflective sensors
Sensor position	Left
Button	Power button, paper feed button
Interface	USB+Bluetooth
USB port specifications	Type-C
Graphics	Monochrome PCX, BMP and other image file printing
Paper type	Continuous paper, label paper
Media width	25-58mm
Paper thickness	0.06mm-0.17mm
Paper roll outer diameter	50mm
Paper output mode	Top paper output
Power supply	Input: DC5V 2A
Charging time	≤2h
Battery standby time	≥72h
Battery printing mileage	≥200 meters (12.5% printing rate) (25°C)
Battery cycle life	500 times, ≥80%
Battery capacity	7.4V/1500mAh
Working environment	5~40°C, 20~90% non-condensing
Storage environment	-20~55°C, 20~93% non-condensing
Weight (including battery)	275g
Appearance size	88mmx126mmx63mm
Packing size	98mmx155mmx75mm
